FEEDING DIRECTIONS:

This ration is to be fed to performance or maintenance horses at the rate of 0.5% to 1.0% of body weight per head per day. Adjust the quantity based on body condition and rate of activity. Ensure clean water is available at all times. Provide free choice good quality forage. Contact a New Rosedale Feedmill representative for more information.

CAUTION:

1. Feeding directions must be followed carefully.

Individual results from the use of this product may vary due to management, environmental, genetic, health and sanitation differences; therefore, New Rosedale Feed Mill does not guarantee individual results.
